Job Posting

Director of Social Services

Ocean Tides, a Lasallian residential treatment center and day school program seeks a Director of Social Services to oversee the staff and operations of its social service programs. The successful candidate will hold a Rhode Island license as a Licensed Independent Clinical Social Worker (LICSW) with at least 5 years experience working with adolescents in the juvenile justice and/or residential foster care systems that includes program and staff oversight and management. The Director of Social Services is responsible for the clinical programs of Ocean Tides including service design, delivery, and documentation as required by Ocean Tides' licensing, accrediting and service provision partnerships, staff and consultant supervision and program coordination with other departments at Ocean Tides. The Director of Social Services is a member of the Executive Team of Ocean Tides.

Interested candidates should submit cover letter and resume to:
