OceanTides

PATHWAYS TO SUCCESS

AUTUMN FEST

2026 APPEAL **FRIDAY, OCTOBER 23 | 6:00-9:00 PM | NARRAGANSETT**

Dear Friend of Ocean Tides,

Every young person deserves a place where he feels supported, encouraged, and proud of what he can accomplish. At Ocean Tides, we see every day how the right opportunity - offered at the right moment - can build confidence, restore hope, and open a pathway toward a brighter future.

This year, proceeds from Autumn Fest will help renovate our gymnasium for our newly resurrected basketball team. The return of basketball has brought new energy to our campus and given our young men something meaningful to work toward together. On the court, they are learning far more than the game: they are learning perseverance, teamwork, responsibility, and the pride that comes from belonging to a team. A renovated gym will give them the safe, welcoming home court they deserve.

Your generosity will also help Ocean Tides stand beside the families in our care when unexpected challenges arise. Flexible support allows us to respond with compassion, ease immediate burdens, and help families remain focused on stability, healing, and moving forward together.

If you are unable to attend, you can still make a lasting difference by donating through our website or contributing a raffle prize, gift card, merchandise, or service. Every gift, no matter the size, is a reminder to our young men and their families that their community believes in them and that they do not have to face their challenges alone.

On behalf of our staff, students, and families, thank you for helping us create moments of possibility, dignity, and hope. We would be honored to celebrate with you at Autumn Fest on October 23.

With gratitude,

Brian Sullivan
President & CEO
